CONCEPT

THE BUSINESS SECTION FOR ALL TOP DECISION-MAKERS FROM 10 SECTORS

diewirtschaft is targeted at people who run companies, make investment decisions, manage personnel and finances, digitize processes and implement sustainability goals. diewirtschaft is published where the media attention of these people is highest: in their must-read publications.

diewirtschaft is the business section of the 10 leading Austrian trade media in the automotive, trade, construction, gastronomy and retail sectors. Never before have you had such close access to the target group of top decision-makers who make both professional and private investments.

Whether financial investments, mobility, travel, residential or high-quality consumer goods: our target group has extraordinarily high purchasing power and is just as receptive to these topics as it is to business topics. Therefore, your **B2C campaigns** in diewirtschaft are just as well positioned as you **B2B campaign.**
